AADE19 SATISFIES THE CONTINUING
EDUCATION REQUIREMENT FOR
INSTRUCTORS IN ACCREDITED OR
RECOGNIZED DSMES SERVICES.

MOTIVATE AND REWARD YOUR DIABETES EDUCATORS

Many attendees return inspired to share best practices by hosting lunch-and-learn sessions with their colleagues to showcase conference highlights.

AADE19 is an affordable way to promote employee development and raise the level of individual care expertise for your institution.

With the seismic shifts shaking up health care, it's more important than ever that diabetes educators are equipped with the knowledge and skills to navigate what's next.

AADE19 IS WHERE:

Advocates align: Join forces with the largest gathering of nurses, dietitians, pharmacists and other healthcare providers who know that when it comes to diabetes education it takes passion and dedication.

Opportunities emerge: Stay a step ahead with education tracks focused on the latest advancements in technology, self-care behaviors, program management skills, clinical therapeutic approaches and more. From innovative sessions, to case studies, to hands-on technology and next-level thought leadership, AADE19 is helping to shape the future of diabetes care.

Networks expand: Connect with more than 200 organizations in the exhibit hall to discover new products, technologies and programs that make caring for people with diabetes just a little easier.
